Paris, November 23, 2021

Dear Sir,

Bureau Veritas Certification France attests that the company **EXACOMPTA CLAIREFONTAINE** has applied for the renewal of the FSC® and PEFC chain of custody certifications in multisite and has been assessed according to our procedures.

The conclusions of the audits and the technical review that followed made it possible to validate the renewal of the FSC **BV-COC-050902** and PEFC **BV/CDC/070504** certificates for a period from November 24, 2021 to November 23, 2026 without any breach of certification.

Finalization of the certificates' editions and FSC and PEFC Databases updates are still in progress within our services.

In the meantime, this letter confirms the validity of FSC and PEFC certification claims on the sales documents of each sites of **EXACOMPTA CLAIREFONTAINE**.

Your sincerely,

Laurent MALLET
Directeur d'Agence Certification
